# Specification

Product Name : Hexyl Salicylate

Product Model : NO.1051

|                                                         |               |            |                |
|---------------------------------------------------------|---------------|------------|----------------|
| Formula: C <sub>13</sub> H <sub>18</sub> O <sub>3</sub> | MolWt: 222.28 | FEMA# 2764 | CAS# 6259-76-3 |
|---------------------------------------------------------|---------------|------------|----------------|

### Technical Requirement:

|                           |                                                                     |
|---------------------------|---------------------------------------------------------------------|
| Color & Appearance        | Colorless to pale yellow liquid                                     |
| Odor                      | Floral, like fruit, powdery, mild odor                              |
| Relative Density(25/25°C) | 1.0330 ~ 1.0420                                                     |
| Refractive Index(20°C)    | 1.5020 ~ 1.5080                                                     |
| Assay (%)                 | ≥99.0                                                               |
| Acid value                | ≤1.0                                                                |
| Shelf Life                | 15 Months                                                           |
| Packing                   | Net weight: 210 kg/drum or<br>Or according to customer requirements |
| Storage Condition         | To be stored in cool dry place, no open air storage                 |
| Executive Standard        | QB/T 4808-2015 Food additive Hexyl Salicylate                       |
| Revision Date             | December 31, 2016                                                   |
